A year ago, in May 2003, Duckworth began to write an exciting new chapter in its long history in British publishing. The current catalogue represents Duckworth's first full trade list in its new incarnation. This is an exciting time for Duckworth as we are committed to developing again a vibrant trade list alongside our traditional and continuing strength in classics, ancient history and archaeology. As this catalogue comes off press, it also signals our new alliance with Bill Godber and Andy Webb at Turnaround in charge of Duckworth sales.

All this and quite a bit more in the offing is a taste of things to come -- new directions alongside a commitment to Duckworth's traditions.

Peter Mayer
